Memories light the corners
 of my mind,
 Misty watercolored memories
 of the way we were.
 Scattered pictures
 of the smiles we left behind
 Smiles we gave to one another
 for the way we were.
 Can it be that it was all
 so simple then,
 Or has time rewritten
 every line?

Mrs. Albertine Miller

NEWFIELD CENTRAL SCHOOL
Newfield, New York
1967-68

Mr. Donald Hickman
Sup. Principal

If we had the chance to do it
all again,

tell me, would we?

Could we?

Memories may be beautiful
and yet,

that's too painful to remember
we simply choose to forget.

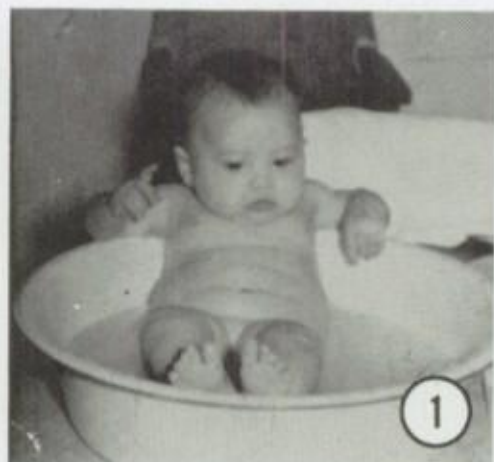

So, it's the laughter

we will remember

whenever we remember

The way we were.

THE WAY OUR

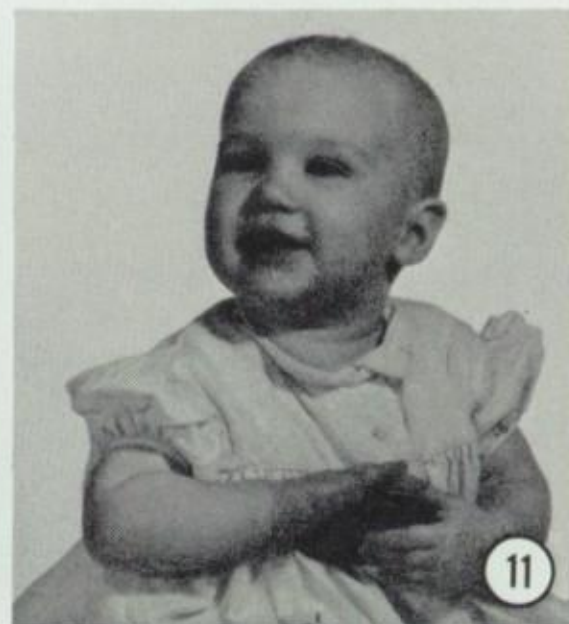

Dear Mom and Dad,
you made us what we are today,
you tried to help us along the way.
With our skinned up knees
and broken hearts,
you always played your loving parts.
When things were rough we turned to you
you always knew just what to do.
We leaned on you from tots to teens
with all the problems in between.

PARENTS REMEMBER US . . .

*We were your little prides and joys,
your darling girls, your bouncing boys.
We're older now and you're still there,
so thank you for your loving care.
For all the things you've helped us through
we dedicate this book to you.*

*The class of 1980 dedicates this book
to those who mean the most to us:
OUR PARENTS! LAURIE, JULIE, RHONDA,
CHRIS*

This is how you do it right!

The 1979 field hockey team had a 5-6-1 record, placing third in the division. Miss France felt it was an educational year. "They ended up working very hard and were in a race for the sectionals." The J.V. team had only a 2-6 record, but Mrs. Frutchy said, "We learned a lot of skills of the game and how to work together as a team."

chance for a victory. However, Ronnie Belles was the leading runner and did well in both the league meet and in Sectionals.

1979 MOD-SQUAD FOOTBALL

The 1979 JV modified football team, sporting seventh, eighth, and ninth grade students, overwhelmed their opponents again this year to generate a 4-1-1 season. Coach Balcome noted a strong backfield and an excellent line as two of their secrets to success. "The past three years have been my most satisfying in coaching," said Balcome, reflecting on the JV program's 14-3-1 record.

What do I do now?

This year's varsity is a veteran team, led by 4th year players, Kim Krause, Jeanne Grimsey, and Val Banks. The varsity, at press time, was striving for a league championship and a return trip to sectional competition. The J.V. squad has many newcomers who have shown a great deal of potential.

"The varsity basketball team has been led by Sr. Captains Bill Humble, Rod Heffron, Larry Meeker and Tim Stranger. The team has been very competitive and played a lot of close games. It has been a good group of guys who have worked hard to develop a competitive team. I really enjoyed working with this group of guys."
— Coach Jack Weeks.

The JV's worked hard and constantly improved during the '79-80 season. There were some disappointing games, but no one gave up. According to Coach Gary Emerson, many of the players had good games this year. The team lacked consistency, but they gave their opponents some tough basketball.

AND TO OUR FACULTY WE LEAVE:

We, the Class of 1980, in a burst of generosity, have decided to leave things not only to our fellow students, but also to the loyal and devoted faculty who have taught us everything we know. The following teachers have taught the Class of '80 somewhere along the way, and we would like to thank them for it.

To Mr. Finley we leave a pair of Mickey Mouse ears to go with his tie. To Mr. Herzog we leave the IBM company (so he'll always have a computer.) Mr. Balcome gets a case of his favorite, Heiniken. To Mr. Walker we leave a box of Wheat Thins with a lock on it. (Did you ever wonder where they went?) Mrs. Caldwell, we leave you about 150 overdue books. To Mr. Aiosa we give whatever's left in the bottles of "toilet water" that he found. To Mrs. Wertis, a quiet homeroom, and Mr. Hickman we leave gladly. For Mrs. Teeter we have all our old late passes, approximately 952 over the past 7 years. To Mr. Howe we leave our mixed up schedules and to Mrs. Olli we give our deepest sympathies. We leave Mr. Weeks a year's supply of "JOKE" signs. (HAHA) To Miss Humpton we leave a wide awake and interested American Govt. class (we don't know where we'll find one, but we'll try). We leave 5 inches to Miss Sherman and a copy of "Sick Jokes for History Teachers" to you-know-who. (Hi, Mr. Krause!) On behalf of the track team, we leave a 4.8 minute mile relay team to Mr. Powers. To Mrs. Frutchy we leave another class like her Basic Comp. class, and to Mrs. Piscopo we give the many illegal excuses we've written over the years. To our friend Mr. Monahan we leave the ability to talk like normal people, and the calculus class leaves him another year of Steve Bandler. For the gourmets in our class we leave Mrs. Hale "a new set of rules" and for the typists we leave Mrs. Bryant a new supply of unbreakable typewriters. To Miss Berg we leave a mature, quiet drawing class with no singing. To Zim we give a recording of the "marking period speeches." To Coach George we leave the January, 1980 issue of Sports Illustrated, and to Miss France, a five year supply of male student coaches. To the rest of the school we leave 27 parking spaces, and last, but not least, to Mr. Reester we leave best wishes for an enjoyable year here as principal.
